

VIDC February 2015 Fundraiser

The Port Alberni Shelter Society is in need of cooking pots and pans (not bakeware).

While the shelter is able to support folks transitioning to independent living situations with many of their needs, finding enough pots and pans for individuals to be able to prepare their own meals is a challenge.

We will be accepting donations of pots and pans (and of course cash) at our February VIDC meeting.

Have you checked your cupboards lately??
